The storm yesterday afternoon broke up base-ball in this city and Petersburg. and neither Richmond nor Lynchburg were able to play. Therefore the percentage of the two clubs remains unchanged. Both will play two games today, however, and it is more than probable that the distance between the two leaders in the race for the pennant will be increased or decreased. The first contest here will be called at 2:00 o'clock, and both games will be played for one admission. Knorr and Flynn will be the pitchers for Richmond, and Williams will toss the first game for Roznoke,

toss the first game for Rosnose.

The Goats are confident of at least one victory, but the Bluebirds are somewhat piqued at the manner in which those self-same quadrupeds treated them Thursday, and are determined to be revenued. They say if anybody goes to the high brush tracky it will be the Rosnolke lads, and the location Jim Corbett was a spectator of the second centest. His brother Joe at the second centest, this brother Joe to-day it will be the Roanoke lads, and not the Bluebirds. In all events, the games will no doubt prove of more than ordinary interest, and if the weather be propitious a very large crowd will no doubt witness them.

PHILADELPHIA WANTS PADDEN.

Albert Orth was in the city yesterday trying to secure Padden for the Phillies. The champion second-baseman refused to eign, and said it was his intention to play the season out. He has a bad arm, which he wants to get in shape before he signs with a National-League club, it is said that Judge King, of Roanake, has effected to send Dick to the Hot Sorings, provided he manages the Goats next season.

Twis rumoned that Orth. Twas rumored that Orth was also after tory to-

Derte, but that eracker-jack informed a Dispatch man that he would play with Richmond until the close of the season Richmond until the close of the season.
Orth left for Petersburg yesterlay, and
it is said he will try to sign Turner.
Some people said that Roanoke would
throw to Richmond. Four to nothing in
the Goats' favor wese, throwing much
in the Bluebirds' way.
Norfolk is still on the win, and nothing
seems able to head them of. They come
here next week, and they are apt then to
find trouble, and lots of it.

TRUCKERS DEFEATED AT HOME. "Pop" Tate's Boys Played Havoc with Mr. Brady's Greenies.

NORFOLK, VA., August 39.-(Special.) Hahn and Fisher. The Clams and the Truckers met again this afternoon on the Portsmouth diamond, and as a result Norfolk is one peg nearer to third place. Brant and McPartland were the opposing pitchers, and while both were wild, McPartland was very effective when he did locate the plate, and but two Portsmouth hits were nade from his delivery.

At the end of the sixth inning the score

was tied. Portsmouth scored one in the seventh on a hit by the pitcher, a stolen base, and a single, and as it was getting very dark, and everybody knew that another inning could not be played, the only hope the rooters had was that Portsmouth would hold Norfolk down, but the hope was in vain, for two of the Norfolk latters—Mills and O'Haran—teamied, the batters—Mills and O'Hagan—pounded the bail. Mills for a single and O'Hagan for a home run, which gave Norfolk two runs and Thurston and the batting of O'Haman were the features. Caville made the only hit that was credited to Portsmouth. Mr. Phelan gave general dissatisfaction. PORTSMOUTH.

New York Takes Cincinnati Into Camp Without Trouble.

NEW YORK, August 30.-The New Yorks continued their good work to-day by taking the Cincinnatis into camp without trouble. Meekin used little or no speed throughout the game, but his support was beautiful at critical times. The New Yorks, on the other hand, hit Dwyer very hard at times. They bunched four singles, a double, and a base on balls in the fourth haing and scored enough runs to win the game then and there.

Both Esper and McMahon pitched masterful tall, and their support was of the sensational order. In the first contest Hawley was sent to the bench after nine hits and six runs had been made off his delivery. Hart did better work.

THE VIRGINIA SIR KNIGHTS.

The Richmond Commanderies Entertained in Providence.

BOSTON, MASS., August 30 .- (Special.) So far as the Richmond and the other Virginia Sir Knights are concerned, the twenty-sixth triennial conclave of Knights Templar, and the accompanying pleasures of Roston hospitality are things of the past; for practically all the Virginia Sir Knights left for home to day. The two Richmond commanderies left at 9 o'clock this morning for Provileft at 5 o'clock this morning for Provi-dence, where they have been the guests of St. John's Commandery, of that city. The rest of the Old Dominion Knights—the Commandery of Alexandria, Appoint of Petersburg. Pertsmouth and Marion commanderies—left to-day, with the exception, of course, of a few members who are making special visits. The Virginia Sir Knights and ladies have had nothing but praise for the reception they have had in Boston Their visit has been one of continuous pleasure, and they have received the most flattering attention. With Richmond, No. 2, there were bickerson and W. J. Gentry, who were here twenty years ago, and they received special attention from the "boys" who remembered them.

MURDER OR SUICIDE?

An Atlanta Merchant Shot at an Early Hour Yesterday.

ATLANTA, GA. August 29.-B. A. Bass, a Peter-street commission merchant, was shot at 4:30 o'clock this morning in the rear of the Grand Theatre. There is some doubt whether it was suicide or murder, but the detectives working on the case think it was suicide. The body was found in a ditch in an alley back of

the Aragon Hotel.

Hass left his home at 4:15 o'clock to go to his store. It is supposed he started through the alley because it was a nearer through the alley because it was a hearer route. Two policemen were near the spot, but did not see any one run away. East told his son and two friends yesterday that his life had been threatened. He was to be tried to-morrow for receiving stolen goods. There are two theories—one that he shot himself to escape the trial, and another that he was shot by some one implicated in the stealing. There were also found a number of letters addressed to R. W. Inman, and there is not the slightest possibility of mistake in the identification. In fact, a particular friend of his (Inman's), Harry Wiman, said he was willing to swear to the identity of the corpse.

The Best He Can Do, However, Is 2:05 1-2-Hamilton's Nightingale Steps a Mile in 2:09 1-2-Other Turf

FLEETWOOD PARK, August 20.-The most brilliant and successful trotting meeting that has ever been held in New York virtually came to an end to-day, eithough one race was unfinished nightfall. The weather was too cool to be favorable for extreme speed, and a brisk wind further interfered with the breaking of records.

THE EASTERN SHORE FAIR. The Last Day-A Great Crowd-Ex-

citing Races. ONANCOCK, VA., August 50.-(Special.)-This was the fourth and last day of the Eastern Shore Agricultural Fair. The rain last night had laid the dust and abated the terrific heat that had tortured the great crowds on the pre-vious days of the exhibition. This com-bined with other attractions to bring out the largest crowd of people even seen on the closing day of any fair in this part of the State. In fact, the attendance every day has been larger than ever be-fore, and the managers have succeeded beyond their most sanguine expectations.

DISTINCTLY EASTERN SHORE. They have endeavored to make this a distinctly Eastern Shore enterprise, and all their exhibits and all their race-horses have come from the two Eastern Shore counties of Virginia. When this is con-sidered, the fair has been a marvellous success, and it may be questioned whether any other two counties in the State could make such a creditable dis-play. The pride of the average Easternplay. The pride of the average Eastern-shoreman is in the fast horses raised in this part of the Old Dominion. The num-ber of these is something wonderful, when one considers the small area of this famous peninsula, famous no less for fleet steeds than for sweet-potatoes, luscious oysters, and handsome women. THE RACES.

The races to-day were perhaps the exciting and hotly-contested of the fair. The 2:40 trotting race was won by Fisher Bradford's Basil, who lost the first heat to J. R. Roberts's Little ike, but won the next three heats. He was, however, closely pushed by William C. West's Ber-tle, who lost the last heat by only a few The race free for all was won by Hezeklah P. James's Bursar, a mag-nificent horse, of great power and prom-ise, in three straight heats. Following

is the summary: 2:40 class-Basil (Fisher Bradford, Ac-2:0 class-fash (Fisher Bradford, Accomac), 3, 1, 1, 1; Little Ike (J. E. Roberts, Accomac), 1, 2, 3, 4; Hertte (W. C. West, Accomac), 2, 3, 2, 2; Grey Eagle (Levin T. Parke, Accomac), 4, 4, 4, 3. Time, 2:34, 2:36, 2:371-2, 2:35.

Free for all—Bursar (if. P. James, Northampton), 1, 1, 1; J. R. (J. R. Bull, Accomac), 2, 2, 3; Ham. Diston (A. S. Kellam, Accomac), 3, 3, 2. Time, 2:321-4, 2:333-4, 2:331-2. 2:313-4, 2:331-2.

The fair closed with the awarding of premiums and a match-game of baseball between the Onancock and the Kellar teams, which resulted in a score of 5 to 4 in favor of Onancock.

The Coming State Pair-Arrington Committee-A Mysterious Case.

RALEIGH, N. C., August 30.-(Sp.clal.) At the Castle Hayne phosphate-mines new machinery is being put in. The out put is now sixty tons cally. A good deal goes to Richmond. The mine is 40 feet wide and 1,500 feet long, and 70 convicts do the mining. Ten years ago work began at these mines. There are 3,200 acres of land, of which the State rents 800 as a farm. On this there are 500 acres in corn. "Greensand," which is a valu-

able fertilizer, is also found. A great deal of crushed conglomerate is being shipped to Wirginia. Shell-rock is to be furnished for use on Raleigh's streets. It is used on those of Goldsboro'.

Some of the advocates of a Democratic State sliver convention are quite worried because the Democratic conference here yesterday did not endorse it. E. C. Smith, the prime mover, says the convention will be held.
